Dear Sir,

Thank you for sharing the revised price.

I will review it and revert shortly.

Could you please share the material datasheet?

Also, kindly confirm the tool life.

@KMN – Please check the feasibility and close it today.

Subject: RE: Bearing Retainer Plate

Dear Sir,

Thanks for your mail and pls consider the price as follows....

1. Part Cost : Rs 14.50 per unit with plating
2. Tool Cost : Rs 1.20 Lakhs

The Consideration is as follows.....

1. RM Considered as IS 513. As per drawing the material is Steel 1040 and the MOQ for this material is high for a volume of 2000 Nos per month.
Regarding IS 513 the material readily available in the market.
2. We have considered the plating trivalent yellow.
3. We will plan to maintain the holes with out burr and request to update drawing with through hole of 6 Dia.

Request to review and confirm the same to proceed further.

Regards

Rajesh
