TERMS AND CONDITIONS OF PURCHASE

1. General Acceptance Clause: The acceptance of this contract constitutes acknowledgment and agreement to abide by the following terms and conditions.

2. Order Authorization Requirement: Valid and binding orders must be submitted in writing and bear the signature of a duly authorized officer of our company. Verbal instructions and agreements, unless formally confirmed in writing thereafter, shall not be considered legally binding.

3. Confirmation Requirement: All orders issued by our company necessitate written confirmation and acceptance from your end.

Failure to confirm within a period of 2 days renders our orders subject to withdrawal.

Any alteration in price, quantity, or payment terms requires our explicit prior written consent.

Fulfillment, whether in full or part, of goods against this order shall constitute unconditional acceptance of its terms and conditions.

The company retains the prerogative to withdraw or cancel the order prior to receipt of confirmation of acceptance from the supplier.

4. Price Agreement and Validity:

The prices specified in this order represent the mutually agreed-upon rates for the purchase of goods. These agreed prices remain valid for the duration of this order.

Any price escalation not explicitly agreed upon in writing is not binding on us, regardless of any provisions in your terms of order acceptance.

Taxes and duties applicable at the time of delivery shall be applied accordingly.

5. Delivery Schedule and Terms:

Timely delivery as per the agreed schedule is imperative to the fulfillment of our order. All goods must be delivered along with the relevant test certificates and inspection reports.

We retain the unequivocal right to cancel the order and seek compensation for any losses or damages resulting from your failure to adhere to the terms and conditions of the order.

Delivery is, however, subject to the standard force majeure clause.

6. ANNUAL ORDERS: In case of annual orders the quantity ordered is an estimate as per the Company's business requirements. This estimate has been made

taking into account the demand and market requirements, Supplier delivery performance, and quality levels. The quantity is subject to change as it is an estimate,

however the same shall be binding upon the Supplier once the order is placed.

The Company is not liable to accept the estimated quantity mentioned in the order, in case the estimates are revised based on the factors mentioned above.

Consequently, the Company is not liable to make any payment or any compensation for goods not supplied by the Supplier and accepted by as per the delivery schedule and these Terms.

7. Dispatch Notification and Documentation:

Please ensure that essential documents such as the delivery note and duplicate invoices for transportation accompany the goods.

These documents are necessary for presentation to relevant authorities as required and must be provided to us upon delivery of the goods.

Road dispatches must be conducted through our approved carriers, with any deviations requiring explicit confirmation from us.

8. Consignment Note and Documentation:

All railway/lorry receipts must be issued in the name of M/s. VIRYA ELECTRIC POWERTRAINS PRIVATE LIMITED, Bangalore, as applicable, and not under 'S E L F'.

The duplicate copy of the invoice (Transporter's Copy) should accompany the consignment, along with other pertinent documents.

9. Goods Acceptance and Inspection:

The acceptance of goods is contingent upon our inspection upon their arrival at our works, unless otherwise stipulated in the order.

10. Title of Goods Ownership:

The title of the goods shall remain with us solely following our acceptance of the goods upon inspection at our works.

11. Invoice Requirements:

Invoices, provided in duplicate, should be addressed to M/s. VIRYA ELECTRIC POWERTRAINS PRIVATE LIMITED, Bangalore, as appropriate.

Original invoices must be dispatched alongside the goods.

Invoices are required to accurately correspond to the descriptions outlined in our orders, including our order numbers, dates, and the quantity of items specified in each order.

12. Payment Terms:

Payment shall be rendered as per terms mentioned in the order after the goods have been received and accepted, from the date of goods receipt, unless explicitly agreed upon otherwise in our order.

All registered suppliers are required to timely file their GST1 within the specified due dates, and all transactions between us must be reflected in GSTR2A.

Any liability incurred due to failure to reflect input tax credit in our GSTR2A will be recovered from respective suppliers.

Suppliers are advised to fulfill monthly GST payments through GSTR3B.

13. Warranty Terms:

Products supplied under any Purchase Order by the Supplier shall be guaranteed against design, manufacturing, and functional defects for a period of 36 months from the date of product supply, unless mutually agreed otherwise.

Acceptance of goods by us is contingent upon inspection.

The supplier holds liability for any defects in the goods or performance during the warranty duration and is responsible for replacing defective parts at no cost during the warranty period.

In the event of premature failure of tools/accessories, full reimbursement of value or replacement must be provided by the supplier.

14. INSURANCE : Please furnish the details such as Purchase Order reference, RR reference, Lorry Receipt Note No., Nature of packing, Number of cases, gross wt. Value of the goods etc., IMMEDIATELY on DESPATCH to this office to take up INSURANCE. In case of goods sent by Regd. Post, the Regd. Parcel No. Should be furnished to us with a packing slip then action will be taken to insure the goods. This procedure will be adopted unless specifically advised by us to the contrary.

15.Rejection Protocol:

Supplier Accountability: Materials not approved by our Quality Department must be promptly removed by the suppliers at their own expense within 3 days of receipt and intimation, as indicated in our inspection report.

Disposal Terms: Should no action be taken within the stipulated 3-day period, we reserve the right to dispose of the material at the supplier's expense. Any costs incurred, including storage, will be fully claimed from the supplier.

Unclaimed Material: Failure to remove the material or provide disposal instructions within the specified timeframe will result in the material remaining at the supplier's risk. We will proceed with disposal without further notice.

Expense Recovery: Should we undertake disposal, all associated expenses, including but not limited to packing, transportation, and administration, will be immediately recoverable from the supplier.

Severity of Rejections: Any rejection, whether identified during the production line or post-assembly, will be addressed with utmost severity and without leniency.

Cost Implications: A stringent recovery cost will be enforced to cover parts, downtime, administrative overheads, and logistical expenses resulting from the rejection. Failure to comply will result in strict penalty measures.

16. WORK CARRIED OUT IN OUR FACTORY BY THE SUPPLIER'S REPRESENTATIVE ETC. :

16.1 Compliance with Works Order: Any work conducted in our Factory by the supplier's representatives, agents, or employees pursuant to the contract will be subject to the general works order existing in the facility.

Responsibility for Arrangements: Suppliers are required to make their own arrangements for lifting tackles, tools, safety equipment, apparel, etc., necessary for the execution of work.

Liability for Accidents: The company shall not be held liable for any accidents that may occur to the supplier's personnel during the course of their work in our facility.

Damages Liability: The supplier shall bear responsibility for any damages to property arising from or incidental to the negligent or defective execution of such work.

Indemnification: The supplier shall indemnify the Company against any costs, charges, or expenses arising from any claims or proceedings related to the work carried out by the supplier's representatives, agents, or employees in our Factory.

17.MISCONDUCT/INFECTIOUS DISEASES :

17.1 If any employee under your employ, engaged in connection with the fulfillment of this contract, is found guilty of misconduct within or in the vicinity of the factory premises, or is discovered to be suffering from any infectious disease, the Company reserves the right to prohibit such individuals from remaining within or returning to the factory premises.

17.2 You are entirely responsible for ensuring strict adherence to safety regulations, safe working methods, and the proper utilization of safety equipment by your employees, representatives, agents, or any individuals engaged by you for work related to this contract, in accordance with the Factories Act Rules and any other relevant safety regulations. You are also accountable to relevant Government authorities for any violations. You must issue necessary instructions or guidelines and obtain undertakings from these individuals as required. Should any individual fail to adhere to safety regulations, they will be immediately withdrawn from the work, and you must make alternative arrangements promptly. Failure to do so may result in the Company denying access to the factory premises for such individuals, with further actions taken at the Company's discretion.

18. LEGISLATION : You are accountable for ensuring compliance with all obligations arising from relevant labor legislations, including but not limited to the Factories Act, EPF & MP Act, Child Labour (P&R) Act, ESI Act, Payment of Wages Act, Contract Labour (Regulation & Abolition) Act, Workmen's Compensation Act, Minimum Wages Act, Payment of Gratuity Act, and any other applicable laws or orders. Any expenses incurred by the Company to meet these obligations will be reimbursed by you promptly.

SPECIAL CONDITIONS :

1. Acceptance Confirmation: Kindly confirm acceptance of the terms and conditions of this order.

2. Documentation for Payment: To expedite payment processing, please ensure that all supplies are accompanied by packing slips/delivery notes referencing our order number and date.

3. Compliance Responsibility: Suppliers must ensure strict adherence to all rules and regulations of the Central or State Government or other government bodies. The company shall not be liable to pay any penalties or compensation due to non-compliance by the supplier.

4.Documentation Requirement: Test certificates and inspection reports must accompany the goods without exception.

19. SAMPLES DRAWINGS ETC. :

All particulars provided by the company to the suppliers, including samples, drawings, models, etc., must be returned to the company at no cost immediately upon execution of the order. Under no circumstances are these to be disclosed to third parties.

Products or components manufactured based on the company's drawings, models, etc., which are derived from confidential information provided by us or made with our tools or tools based on our information, must not be supplied to third parties or utilized by the supplier for personal gain. Any losses incurred by the company due to breach of this agreement will be recoverable from the suppliers. This condition applies to all detailed orders issued by us.

20. Dispute Resolution:

Any disputes or differences arising out of this contract shall be exclusively referred to the courts of competent jurisdiction in Bangalore.

21. Force Majeure Clause:

The duties and obligations of both the supplier and M/s. VIRYA ELECTRIC POWERTRANS PRIVATE LIMITED shall be suspended during any period in which performance by either party is hindered or prevented by major riots, civil commotion, rebellion, governmental action, war, acts of God, or other unforeseeable events beyond the control of the concerned party, which could not have been foreseen or avoided despite the exercise of due diligence, rendering performance impossible.

22. Raw Materials Provision and Management:

Collection from Company Stores: When raw materials are provided by us, they must be collected from our designated stores.

Replacement Cost: In cases of rejection or short supplies, the proportionate replacement cost of such raw materials will be debited to your account.

Ownership and Usage: The raw materials/parts will remain our property until the value thereof, debited to your accounts, has been fully adjusted against the payments made by you to us. You are prohibited from hypothecating/pledging the raw materials/parts or creating any other charge thereon. Additionally, you must not utilize the raw materials/parts for any purpose other than manufacturing items ordered by us.

Insurance Requirement: It is mandatory for the supplier to insure the raw materials to a value 25% in excess of the existing market value.

Monthly Stock Reporting: The supplier is obligated to submit a statement showing the stocks held at their premises at the end of each month. Immediate reconciliation with our records is required thereafter.

22.1 Any dies, tools, or machines supplied by us for the purpose of manufacturing components to be supplied to us shall remain our property. It is imperative that these items are properly maintained by the supplier throughout their use.

23. If the goods are intended to be processed under techniques and conditions different from those originally specified—for instance, repair/modification to an existing die, changes in the source of raw materials, or introduction of new patterns—the supplier is required to promptly communicate such alterations to us. Our approval must be obtained before the new techniques and conditions are adopted.

24. Deductions for Job Work Orders:

Income Tax Deduction: In the case of orders for job work, 2% of the invoice value will be deducted and remitted to the Government in accordance with Section 194C of the Income Tax Act, if the value of each order exceeds Rs. 30,000/-, or as amended from time to time.

ESI Compliance Requirement: Job workers are required to submit their ESI registration certificate and monthly ESI returns as proof of compliance.

Penalty for Non-Compliance: Job workers who are not registered under the ESI Act will face a deduction of 6.5% on the value of services rendered to us.

25. The supplier is prohibited from advertising or announcing, without the written consent of the company, that they supply goods to our company.

26. A duly authorized representative of our company shall have the right to inspect materials ordered at any stage of manufacture.

27. Any variation of the conditions contained in the order is subject to prior approval by the company.
